

May Crowning

This year's First Holy Communion students are invited to participate in a May Crowning ceremony which will take place during the 10:30 Mass on **Sunday, May 7th**. This is a very special tradition in which our statue of Mary the Blessed Mother is honored by being crowned with a wreath of flowers.

The ceremony is brief and will take place at the start of the 10:30 Mass. If you wish for your child to participate in this beautiful tradition, please arrive at St. John Fisher Church at **10:15** and meet in the chapel. **The children should wear their Holy Communion clothes.**

The Holy Communion students will be led in a procession down the aisle and up to the statue which will be by the altar. The children will put a flower, which will be provided, in a vase at Mary's feet. After Father says a blessing and welcome, the children will return to sit with their families.

After Mass, there will be a special reception down in the church hall to honor our Holy Communion community. We would really love to see you all there. Family and friends are all welcome.
